

Single Cradle Chargers with Communication

Provides communications between the Symbol® MC3000 or MC70/MC75 device and a host system while charging the device. Both chargers offer RS232 and USB connectivity through built-in connectors plus enclosed cables.

Features:

- Includes RS232 and USB connectivity through built-in connectors plus enclosed cables.
- Designed for users who do not need a second battery:
Holds and charge one device.
- Dual-chemistry:
Support Li-Ion & Li-Polymer.
- Tri-color charging indications:
Charging LED indicates charging status.
- Hassle-free mounting:
Utilizes same mounting brackets as OEM chargers for easy wall mounting.
- Made of highly rugged aerospace grade aluminium housing.
- Includes power supplies and cable.
- Can easily be customized to meet your customer needs.

Warranty:

Each charger is guaranteed to be free from defects in materials and workmanship for 24 months from date of shipment under normal use.

Trademarks are the sole property of their respective owners.

The Honeywell® Trademark is used under license from Honeywell® International Inc.

Single Cradle Charger for the MC3000
